PANBESA'S LETTER.

An Account of an Egyptian City Thirty Centuries Ago.

Probably the oldest letter in the world is the letter of Panbesa, written fifteen centuries before Christ to his friend, Amenemhat, a scribe.

The manuscript is of perishable papyrus, and it is amazing that it should have survived for more than thirty centuries and still be legible.

It is preserved in the collection of the British museum. It has been several times translated. It presents an interesting picture of life in Egypt in the time of Rameses II. It is more in the nature of a literary production, a poem composed in celebration of the visit of Pharaoh to the city of Panbesa, than an ordinary letter of today.

Panbesa "greeted his lord, the scribe Amenemhat, to whom he life, health and strength," and then goes on to describe the verdant fields, the thrashing floors, the vineyards, the groves of olives, the orchards of figs, the great daily markets, with their fish and waterfowl and swarms of purchasers.

The citizens had their "sweet wine of Khem, pomegranate wine and wine from the vineyards," and to these they added "beer of Kati."

There was music in plenty furnished by the singers of the school of Memphis.

On the whole, Panbesa seems to have been a pleasant place to live in. "The lesser folk are there equal with the great folk," and Panbesa writes that his maidens were "in holiday attire every day," with locks "redolent of perfumed oil."

To Mothers in This Town.

Children who are delicate, feverish and cross will get immediate relief from Mother Gray's Sweet Powders for children. They cleanse the stomach, act on the liver, making a sickly child strong and healthy. A certain cure for worms. Sold by all druggists, 25c sample free. Address Allen S. Otis, LeRoy, N. Y.

By the way, my shoemaker is a musician, and he likes musicians for his customers to judge by the following, stuck up in his window:

"If you are Schubert (shoebare), come to the Schumann, and if your Purcell allow it, come Bach, and come Offenbach when you're out Chopin."

Scrub yourself daily, and you're not clean inside. Clean inside means clean stomach, bowels, blood, liver, clean, healthy tissue in every organ. Moral: Take Hollister's Rocky Mountain Tea. 35c Tea or Tablets.

New Guinean War Canoe.

At Matupi is preserved the last of the great New Guinean war canoes. This is an immense and wonderful structure seventy feet in length, which besides several hundred natives could carry six and a half tons of cargo upon the deck joining the canoe proper and the outrigger.

At either end is a quaintly carved wooden figurehead, or tail, covered with cassowary feathers, and the immense outrigger consists of a whole palm tree hollowed out and sharpened fore and aft.—London Standard.

WARNING.

If you have kidney and bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases.

Mr. Newed—Yes, dear, every time I shave I save 20 cents. Mrs. Newed—Oh, lovey, why don't you shave oftener, then?—Chicago News.

FOLEY'S KIDNEY CURE

Makes Kidneys and Bladder Right

A Disconcerting Interruption.
A good story is told of a disconcerting interruption which Mr. Gladstone once experienced when addressing a woman suffrage meeting in Leeds. In the course of his speech he paid a graceful compliment to the eloquence of the ladies who had previously spoken and further gallantly remarked on the great pleasure which it gives the other sex to listen to women talking. Pausing for a moment after this observation, Mr. Gladstone, like his audience, was thrown into an unexpected state of excitement by a male voice which proceeded from the back of the hall, "I have just read in the broadest Yorkshire dialect, 'Eh, lad, thou'st noan wed yet, I seest.'—Westminster Gazette.

Ways of the Waves.

Waves are deceptive things. To look at them one would gather the impression that the whole water traveled. This, however, is not so. The water stays in the same place, but the motion goes on. In great storms waves are sometimes forty feet high and their crests travel fifty miles an hour. The base of a wave (the distance from valley to valley) is usually considered as being fifteen times the height of the wave. Therefore a wave twenty-five feet high would have a base extending 375 feet.

A cold is much more easily cured when the bowels are opened. Kennedy's Laxative Honey and Tar opens the bowels and drives the cold out of the system in young or old. Sold by Pickens Drug

Her Ancient Sacred Cat.

At Assuit a little while ago a German lady was much pleased at having secured for a considerable sum the mummy of a sacred cat. She was delighted with her bargain, and the Arab dealer was quite satisfied with the sum he received. But with the curiosity inherited from our first poor mother she began to examine her mummy. She looked at it closely and even picked a hole in it. Then, encouraged by what she saw, she proceeded to rip it open. Her mummy was stuffed with the London Daily Mail.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of the prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old."

How to Avoid Cramps.

"You often read of people dying from cramps while in swimming," said James D. Rose of Martin, Tenn. "People don't die from cramps while in bathing. The water gets in the ears, floods the eardrums and causes the nerves leading to the brain to become paralyzed. This naturally forces other vital nerves to cease performing their duty, and the result is death. If people who go in swimming would put cotton in their ears the number of deaths from cramps would be much smaller."—Nashville Tennessean.

CURES ALL SKIN TROUBLES.

Sulphur the Accepted Remedy for a Hundred Years.

Sulphur is one of the greatest remedies nature ever gave to man. Every physician knows that it cures skin and blood troubles. Hancock's Liquid Sulphur enables you to get the full benefit in the most convenient form. Don't take Sulphur tablets or wafers or powdered sulphur in molasses. Hancock's liquid sulphur is pleasant to take and perfect in its action. All druggists sell it.

I have used seven 50-cent bottles of the Liquid and one jar of your Hancock's Liquid Sulphur Ointment, and now I feel as though I had a brand new pair of hands. It has cured me and I am certain it will cure any one if they persist in using Hancock's Liquid Sulphur according to directions."—Butler Edgar.

The popular remedy in Otsego county and the best friend of my family," writes Wm. M. Dietz, editor and publisher of the Otsego Journal, Gilbertsville, N. Y., "is Dr. King's New Discovery. For an Impaired Appetite.

To improve the appetite and strengthen the digestion try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. J. H. Seitz, of Detroit, Mich., says: "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." Samples free. Girl (to crying little brother)—Aren't you ashamed of yourself, Dick? Bobbie says he has already given you two bites. Dick—But it's my apple.—Life.

A Jubilee.

Some years ago, before Queen Victoria's death and about the time that the queen's jubilee was to be celebrated, the following conversation between two old Scotchwomen was overheard on a street corner in London: "Can ye tell me, wumman, what is it they call a jubilee?" "Well, it's this," said her neighbor: "When folk has been married twenty-five years, that's a silver wuddin', and when they have been married fifty years that's a golden wuddin', but if the mon's dead, then it's a jubilee."—London Mail.

The Limit of Life

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period that determines its duration seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 years is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by the Pickens Drug Co. Druggists, 50c.

Japanese Flower Decoration.

In the Japanese method of flower decoration, to become a master of which a man must study for at least fourteen years, seven years of hard work making him only fairly proficient, only few flowers are used. One beautiful bough is considered ample aesthetic food for a day. The Japanese know that only one beautiful object at a time can be appreciated, and they aim at placing that object in perfect relation to its surroundings. A vase of flowers in a Japanese house is the principal thing in the room, near which the chief guest of the evening is seated.

"REGULAR AS THE SUN"

is an expression as old as the race. No doubt the rising and setting of the sun is the most regular performance in the universe, unless it is the action of the liver and bowels when regulated with Dr. King's New Life Pills. Guaranteed by the Pickens Drug Co. Druggists, 25c.

The Anchovy.

The little anchovy is a fish of no small importance, being very largely used in various sauces, besides the numbers that are preserved in pickle. It is common in the Mediterranean and is also found on our coasts. The upper jaw of this fish is longer than the lower one. The entire length of the fish is usually from four to five inches, but it has been seen measuring upward of seven inches.

REMEDY FOR DIARRHOEA NEVER KNOWN TO FAIL.

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I cannot say too much for the best medicine of the kind in the world."—S. Jamison, Spring Grove, York county, Pa. This remedy is for sale by the Pickens Drug Co.

"Don't you have trouble in keeping your wife dressed in the height of fashion?" "Not at all. The trouble would come if I didn't!"

A woman worries until she gets wrinkles, then worries because she has them. If she takes Hollister's Rocky Mountain Tea she would have neither. Bright, smiling face follows its use. 35c Tea or Tablets.

The Neck of the Bottle.

On the neck of a wine bottle a ridge can usually be seen. This ridge has a purpose to serve. It is not made merely to decorate the neck of the bottle. When the bottle is opened and its contents have to be poured into a glass the ridge is adjusted to the top of the glass, so that the wine cannot trickle down the side of the bottle and then on to the tablecloth. — London Telegraph.

Old maids would be scarce and hard to find. Could they be made to see. [find, Now grace and beauty is combined By using Rocky Mountain Tea.

Friend—Can't you give me a tip on stocks? Broker—Yes, but in consideration of our long friendship I won't.—Town and Country.

HAD AN AWFUL TIME.

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a case of the measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—Sam H. Gwin, Concord, Ga. For sale by Pickens Drug Co.

A Lesson in Shopping.

Managers and clerks in large department stores of necessity have to deal with all kinds and classes of people, and they often have most amusing experiences, owing to the peculiarities of their customers, says the Philadelphia Record. While waiting for an exchange at the silk counter in a Market street establishment yesterday a clerk told a West Philadelphia shopper a story which she has since been circulating among her circle of friends. "An uptown customer," the clerk said, "last week had six yards of a most expensive silk sent C. O. D. The next day the package was returned to us, and upon it was written: 'Returned. I was only teaching my daughter how to shop.'"

Eczema.

For the good of those suffering with eczema or other such trouble, I wish to say, my wife had something of that kind and after using the doctors' remedies for some time concluded to try Chamberlain's Salve, and it proved to be better than anything she had tried. For sale by Pickens Drug Co.

When a command performance is given in Constantinople the sultan makes up some special jokes, which are introduced in the course of the play. A high official tells the courtiers these jokes beforehand, so that they shall know the proper places to laugh.

"Why does a fellow on a small salary, like Smallchink, dress so extravagantly?"

"He fears people will think him poor."

"And why does old millionaire Keggercome dress so shabbily?"

"Everybody Should Know"

In Baroda, India, a favorite sport is a fist fight in which the fighters wear a steel cestus which has formidable claws. The combatants, who have been crazed with a drink of liquid opium mixed with an infusion of hemp, enter the arena singing. One of them is certain to be killed.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Better than Three Doctors.

"Three years ago we had three doctors with our little boy and everything they could do seemed to be in vain. At last when all hope seemed to be gone we began using Chamberlain's colic cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale by Pickens Drug Co.

Lady Helper (to small boy)—Will you have some more bread and butter? Small Boy—No fear when there's kike about. Lady Helper (trying to be kind)—Cake? Certainly! Will you have plum or seed? Small Boy—Plum, in course. D'ye like me for a canary?—London Punch.
